

NOW AVAILABLE

Increases working height and productivity.

Skyjack's XStep maximizes reach and productivity by providing operators with safe, increased access into and around tight, restricted spaces, such as ceiling openings and ceiling mounted structures.

- Improves accessibility in restricted areas
- Increases fleet flexibility
- Full height platform rails provide operator security
- One person installation process and no special tools or lifting equipment required
- Access to upper controls with XStep deployed or stowed
- Installed or removed in 5 minutes
- Compatible with SJ3215 and SJ3219
- Available as a factory fit or field install option

SKYJACK
simply reliable
